Manchester

It's never too early to visit  
the library with your child

# You're sure of a friendly welcome at Tiny Tots and Toddler Time.

Manchester Libraries offer free, fun and enjoyable Storytime sessions for under-5s.

Sharing a story with your child is a chance for you to relax and spend time together.

Even the youngest babies respond to songs, music and rhythm, and this helps to develop their language.

Everyone is welcome - mums, dads, grandparents and carers. It's a great way to meet and make new friends, and give your child a fantastic start in life at the same time!

There's no need to book, just come along and join in. Most Storytime sessions take place in term-time only - please check the list below.
