

Nursery Become Pet Owners

In Nursery, over the past few weeks, our focus has been the story of The Rainbow Fish. We learnt lots about the types of fish and animals you find in the ocean. We are looking after 2 Axolotl fish which are known as walking fish. We have to feed and clean them. For our home learning, we had to draw and name them. We have enjoyed observing and writing about them.

Central Manchester Basketball League

10 children represented the school in the Basketball League in January, Abakar, Yasmine, Mohammed, Abrar, Safa, Abullahi, Tariq, Aji, Baban and Kahlid. The children trained enthusiastically over the winter months and had expert training from Ambokie Bell from the Manchester Giants! There were 10 teams competing in total from schools across Central Manchester. The team played very well and were placed 7th overall in the tournament. Well done!

NSPCC Assembly

All children from Year 1-6 attended the "Speak out Stay safe" assembly. It helped children to understand about where to get help if they need it. The assembly helps children identify a trusted adult they can speak to if they are worried about

Polite

reminder: Please can you make sure that you let the school office know if you move house or change your telephone number. This is important if we need to contact you. Thank you.

Parking

We are now using traffic cones on the road to try and keep our children safe and stop cars parking illegally on double yellow lines. Please be mindful when dropping and picking up your children from school.

Chess Tournament

Last week, we were invited to Manchester High School for Girls to play against their team. Out of the 10 matches played, the children won 8 and drew 2. Well done to Uzair, Leo, Jheel, Ambreen, Hamza, Fatih, Maryam, Rehan, Hanan and Bilal. We look forward to our next competition!

Enabling Enterprise Travel Challenge

This year for our Enabling Enterprise Challenge Day we were looking at 'Transport of the Future'. The children

had to design and make a vehicle that would be suitable to travel across different surfaces such as desert, jungle, urban and an ice city.

The children had to work together in teams to create a final design. They used lots of

recyclable items including cereal boxes and milk cartons. They used a number of their Enabling Enterprise skills, including aiming high, working as a team and problem solving. The children had a

Forthcoming Events
