1. Introduction

1.1 Regular school attendance is essential if children are to achieve their full potential.

1.2 Claremont Primary School believe that regular school attendance is the key to enabling children to maximise the educational opportunities available to them and become emotionally resilient, confident and competent adults who are able to realise their full potential and make a positive contribution to their community.

1.3 Claremont Primary School values all pupils. As set out in this policy, we will work with families to identify the reasons for poor attendance and try to resolve any difficulties.

1.4 Claremont Primary School recognises that attendance is a matter for the whole school community. Our Attendance Policy should not be viewed in isolation; it is a strand that runs through all aspects of school improvement, supported by our policies on safeguarding, bullying, behaviour and inclusive learning. This policy also takes into account the Human Rights Act 1998, the Disability Discrimination Act 1995 and the Race Relations Act 2000.

2. Legal Framework

2.1 Section 7 of the 1996 Education Act states that parents must ensure that children of compulsory school age receive efficient full-time education suitable to their age, ability and aptitude to any special educational needs they may have, either by regular attendance at school or otherwise.

2.2 A child is of Compulsory School Age at the beginning of the term following their 5th birthday. A child ceases to be of compulsory school age on the last Friday in June of the school year in which they reach the age of 16.

2.3 Under the Education Act 1996, the Local Authority has a statutory responsibility to ensure that parents secure education for children of compulsory school age and where necessary, use legal enforcement.

2.4 The Education (Pupil Registration) (England) Regulations 2013, require schools to take an attendance register twice a day, once at the start of the morning session and then again during the afternoon session.

2.5 The register must record whether the pupil was:

- present;
- absent;
- present at approved educational activity; or
- unable to attend due to exceptional circumstances.

3. Categorising absence

3.1 Where pupils of compulsory school age are recorded as absent, the register must show whether the absence is authorised or unauthorised.

3.2 Absence can only be authorised by the Head Teacher and cannot be authorised by parents. All absences will be treated as unauthorised unless a satisfactory explanation for the pupil's absence has been received.

3.3 Parents must advise the school by telephone on the first day of absence and provide the school with an expected date of return. This should be followed up by either an additional phone call, email or a written note from the Parent/Carer. A member of school staff will seek an explanation when a Parent/Carer does not update the school following an additional day/days of absence. It may be necessary for the school to undertake a home visit to fulfil the school's safeguarding responsibilities.

3.4 Absence will be categorised as follows:

3.5 Illness - Parents may be asked to provide medical evidence to allow the Attendance Lead to authorise absence where appropriate. This will usually be in the form of an appointment card, prescription etc.

3.6 Medical/Dental Appointments- Parents are advised, where possible, to make medical and dental appointments outside of the school day. Where this is not possible, pupils must attend school for part of the day. Parents must show the appointment card to school.

3.7 Other Authorised Circumstances - This relates to where there is cause for absence due to exceptional circumstances. This type of absence can only be authorised by the Head Teacher.

3.8 Excluded (No alternative provision made) - Exclusion from attending school is counted as an authorised absence. The child's class teacher will make arrangements for work to be sent home.

3.9 Unauthorised leave of absence - A Parent/Carer who feels they need to take their child out of school during term time must arrange a meeting with the Attendance Lead to complete a leave of absence form. This will then be passed on to the Head Teacher to consider. Retrospective requests will not be considered and therefore will result in the absence being categorised as **unauthorised**.

3.9.1 All leave of absence request forms will be returned to the Attendance Lead and Parent/Carer will be invited back to the office to see the outcome of their request.

3.9.2 If a pupil fails to return and contact with the parents has not been made or received, school may take the pupil off the school's roll in compliance with the Education (Pupil Registration) (England) Regulations 2013. This means that the child will lose their school place.

3.9.3 If the permission to take leave is not granted and the parent takes their child out of school the absence will be **unauthorised**. In such cases the school will follow the Fixed Penalty Notice procedure or consider other legal sanctions including prosecution.

3.10 Religious Observance - Claremont Primary School acknowledges the multi-faith nature of British society and recognises that on some occasions, religious festivals may fall outside school holiday periods or weekends and this necessitates a consideration of authorised absence.

3.11 Traveller Absence - It is expected that Traveller children, in common with all other children, is to attend school as regularly and as frequently as possible.

3.11.1 To protect Traveller parents from unreasonable prosecution for non-attendance, the Education Act 1944, section 86, states that a Traveller parent is safe from prosecution if their child accrues 200 attendances (i.e. 200 half days) in a year. This is only when the family are engaged in a trade or business that requires them to travel and when the child is attending school as regularly as that trade permits.

3.11.2 When in or around Manchester, if a family can reasonably travel back to their Base School (see below) then the expectation is that their child will attend full-time.

3.11.3 Claremont Primary School will be regarded as the base school if it is the school where the child normally attends when they are not travelling. However, the pupil must have attended in the last 18 months. Traveller children can register at other schools temporarily while away from their base school, in such cases, the pupil's school place at Claremont Primary School will be kept open for them whilst travelling. This is to protect them from unfairly losing their place at their school of usual attendance.

3.11.4 Claremont Primary School can only effectively operate as the child's base school if it is engaged in on-going dialogue with Traveller families. This means that parents must:

- advise of their forthcoming travelling patterns before they happen; and
- inform the school regarding proposed return dates

3.11.5 Claremont Primary School will authorise absence of Traveller children if we are satisfied that a family is travelling for work or trade purposes and has given indication that they intend to return.

3.11.6 Traveller children will be recorded as attending an approved educational activity when:

- The child is on roll and attending another visited school
- Undertaking supervised educational activity under the jurisdiction of another Local Authority's Traveller Education Service
- The child is undertaking computer based distance learning that is time evidenced

3.11.7 Where Traveller children are registered pupils at a school and are known to be present either at a site (official or otherwise) or in a house and are not attending school, the absence will be investigated in the same way as that for any pupil and appropriate statutory action may be undertaken.

3.12 Late Arrival - Registration begins at 9am. Pupils arriving after this time will be marked as present but arriving late (code L). The register will close at 9.30am. Pupils arriving after the close of register will be recorded as late, (code U) this is not authorised and will count as an absence for that school session and statutory action may be taken where appropriate.

3.12.1 On arrival after 9am, pupils must immediately sign in at the school office to ensure that we can be responsible for their health and safety whilst they are in school.

3.12.2 Arrival after 9.30am will only be authorised if a satisfactory explanation for the late arrival can be provided, for example, attendance at a medical appointment.

3.12.3 The absence will be recorded as **unauthorised** if the pupil has arrived late without justifiable cause.

3.13 Unauthorised absence - Absence will not be authorised unless parents have provided a satisfactory explanation and that it has been accepted by the Head Teacher.

3.13.1 Examples of unsatisfactory explanations include:

- A pupil's/family member's birthday
- Shopping for uniforms
- Having their hair cut
- Closure of a sibling's school for INSET (or other) purposes
- "Couldn't get up"
- Illness where the child is considered well enough to attend school
- Family holidays

4. Removal from the Register

4.1 In accordance with the Education (Pupil Registration) (England) Regulations 2013, pupils will only be removed from the register when one of the following circumstances applies:

- The school is replaced by another school on a School Attendance Order
- The School Attendance Order is revoked by the local authority
- The pupil has ceased to be of compulsory school age
- Permanent exclusion has occurred and procedures have been completed
- Death of a pupil
- Transfer between schools
- The pupil emigrates (pupil's destination known)

- 20 days continuous unauthorised absence and both the local authority and school have tried to locate the pupil
- Left the school but not known where he/she has gone after both the school and the local authority have tried to locate the pupil

4.2 Claremont Primary School will follow Manchester City Council's Children Missing Education Protocol when a pupil's whereabouts is unknown.

- Avoid taking their child out of school during term-time, where this is unavoidable, and only in exceptional circumstances arrange a meeting with the Attendance Lead to fill out the necessary paperwork which will then be passed to the Head Teacher for a decision.

6. Using Attendance Data

6.1 Pupil's attendance will be monitored and may be shared with the Local Authority and other agencies if a pupil's attendance is a cause for concern.

6.2 Every half term The Attendance Lead will provide all class teachers with attendance data for that period for each pupil within their class. The list will then enable the class teacher to set individual targets for pupils where and when necessary.

GREEN	pupils with attendance between 98% and 100%
AMBER	pupils with attendance between 97.9% and 95%
AMBER-RED	pupils with attendance 94.9% and 90%
RED	pupils with attendance below 90%

6.3 Each pupil's attendance will be rated Red, Amber or Green for the term which will help indicate if their attendance has improved, stayed the same or deteriorated.

6.4 A member of the Senior Leadership Team will receive a complete set of data.

6.5 This pupil level data will be used to trigger school action as set out in the escalation of intervention (Appendix 1).

6.6 Attendance data will also be used to identify emerging patterns and trends to inform whole school strategies to improve attendance and attainment.

6.7 Claremont Primary School will share attendance data with the Department for Education and the local authority as required.

6.8 All information shared will be done so in accordance with the Data Protection Act 1998.

6.9 Report to governors every term on the relative progress of reducing persistent pupil absence and efforts to increase overall attendance.

7. Support Systems

7.1 School recognise that poor attendance is often an indication of difficulties in a child's life. This may be related to problems at home and or in school. Parents should make school aware of any difficulties or changes in circumstances that may affect their child's attendance and or behaviour in school, for example, bereavement, divorce/separation, incidents of domestic abuse. This will help the school identify any additional support that may be required.

7.2 Claremont Primary School also recognise that some pupils are more likely to require additional support to attain good attendance, for example, those pupils with special educational needs, those with physical or mental health needs, migrant and refugee pupils and looked after children.

7.3 The school will implement a range of strategies to support improved attendance. Strategies used will include:

- Discussion with parents and pupils
- Attendance Panel meetings
- Early Help Assessments (EHAs)
- Parenting contracts
- Referrals to support agencies
- Pupil Voice Activities
- Reward systems
- Time limited part time time-tables
- Additional learning support
- Behaviour support
- Inclusion units
- Reintegration support packages

7.4 Support offered to families will be child centred and planned in discussion and agreement with both parents and pupils.

7.5 Where parents fail or refuse to engage with the support offered and further unauthorised absence occurs, Claremont Primary School will consider the use of legal sanctions.

8. Legal Sanctions

8.1 Prosecution - Where intervention fails to bring about an improvement in attendance, the Local Authority will be notified and legal action in the Magistrates' Court may be taken. The school will provide the Local Authority with evidence required for a prosecution under Section 444 of the Education Act 1996 and will appear as a prosecution witness if required by the court. This is to ensure that parents realise their own responsibilities in ensuring attendance at school and most importantly about returning children to education.

8.1.1 Section 444 of the Education Act 1996 states that if a parent fails to ensure the regular school attendance of their child if he/she is a registered pupil at a school and is of compulsory school age, then they are guilty of an offence.

8.1.2 Alternatives to Section 444 prosecution are Parenting Contracts, Penalty Notices or an Education Supervision Order.

8.2 Parenting Contracts - A Parenting contract is a voluntary agreement between school and the parent, it can also be extended to include the child and any other agencies offering support to resolve any difficulties leading to improved attendance.

8.2.1 The contract will outline attendance targets and will detail agreed actions that will help to achieve the target. The contract will be reviewed regularly.

8.2.2 The contract can be used as evidence in a prosecution should parents fail to carry out agreed actions.

8.2.3 Parenting Contracts will be used in accordance with Manchester City Council's Parenting Contract Protocol.

8.3 Penalty Notices - Penalty Notices will be considered when:

- A pupil is absent from school and the absence has not been authorised by the school
- A pupil has accrued unauthorised absence without reasons provided and/or accepted as exceptional by the Head Teacher.

8.3.1 A Penalty Notice gives the parent the opportunity to discharge themselves of their legal responsibility if a £120 fine is paid within 28 days, reduced to £60 if paid within 21 days of the date the Notice was issued.

8.3.2 Failure to pay the Penalty Notice may result in a prosecution under Section 444 of the Education Act 1996.

8.3.3 Penalty Notices will be used in accordance with Manchester City Council's Penalty Notice Protocol.

RED - pupils with attendance below 90%

Records will be kept for these pupils and discussed with Senior Leaders as and when it is appropriate. These pupils will be discussed by the Inclusion team on a weekly basis.

- Set an individual attendance target for the pupil using sessions rather than percentages that will see the pupil move to the band above
- Agree a review date

The Inclusion Lead with the Attendance Officer will be responsible for all action at this level and will record all intervention and outcomes.

A member of the Senior Leadership Team will monitor the effectiveness of interventions. This will be used to review and inform whole school strategies and will also have links to performance management.

Inclusion Lead will:

- Review existing plans and co-ordinate school resources to support the pupil's attendance and any additional needs
