

Reading detectives project

A big thank you to all the parents/carers who attended the reading detectives workshop today.

This project will help your child with their reading comprehension and would appreciate your support at home with the assignments. Each week your child will bring home the next assignment and this will help you to reveal the identity of the thief!

At the end of the project we will reveal who committed the crime and invite you back in for a celebration.

All the assignments can be found on the website under the Year 5 News and Gallery page.

Good luck!
