Agenda

- Parents were asked for feedback about the new school behaviour system. All very positive. One parent said she was following up the reward system at home which was helping her. Another said that parents and teachers working as a team was very successful. Another parent asked if the system started in nursery and reception. The answer is yes but is a slightly adapted version.
- Mr. Williams then told the parents about Rainbow day which is coming up on Friday 13th July.
- Rainbow day is about celebrating the differences that exist between each other and our families.
- Children will be learning and celebrating differences through a range of stories from nursery to Year 4.
- Years 5 and 6 will take part in workshops which will challenge stereotypes which exist in society. Mr. Williams then showed an example of an activity the children may take part in.
- There were no questions or comments at the end.
- Upcoming events were announced – a behaviour surgery coffee morning with Kim Wade on Wednesday 27th June and the Eid parties for each year group.
