Our week

Monday	Homework and reading book returned to school
Tuesday	Homework and reading books handed out
Wednesday	PE with sports coach
Thursday	
Friday	Physical Friday PE activities

Home learning

Please support your child with their homework linked to their phonics learning and reading. Your child will bring home a reading scheme book that they should read and a reading for pleasure story that you should share with them.

You can let us know what your child is doing at home and about any special family times by uploading a post to Tapestry.

Reading with your child for 10 minutes every day can help them to: relax and feel good, improve their memory and concentration, and inspire them to read more.
